## Project page

The screenshot shows a project page for 'DasX, DasWallet' on September 2017. At the top left is a circular badge with '67% BONUS TOKENS'. Below it is a photo of two hands holding a small green plant. The main section displays a progress bar for 'First Round' at 50%, with a goal of €1,500,000.00 collected. A secondary progress bar for the 'Main goal' is at 30%, with a goal of €5,000,000. Below these are sections for 'My Participation' (100.000.0000 DASC, 0.431234 BTC) and 'Tokens to receive' (57.65456). A large blue button says 'PARTICIPATE IN OUR FUTURE'.

Plugin Enhancements

# SQL Database Plugin

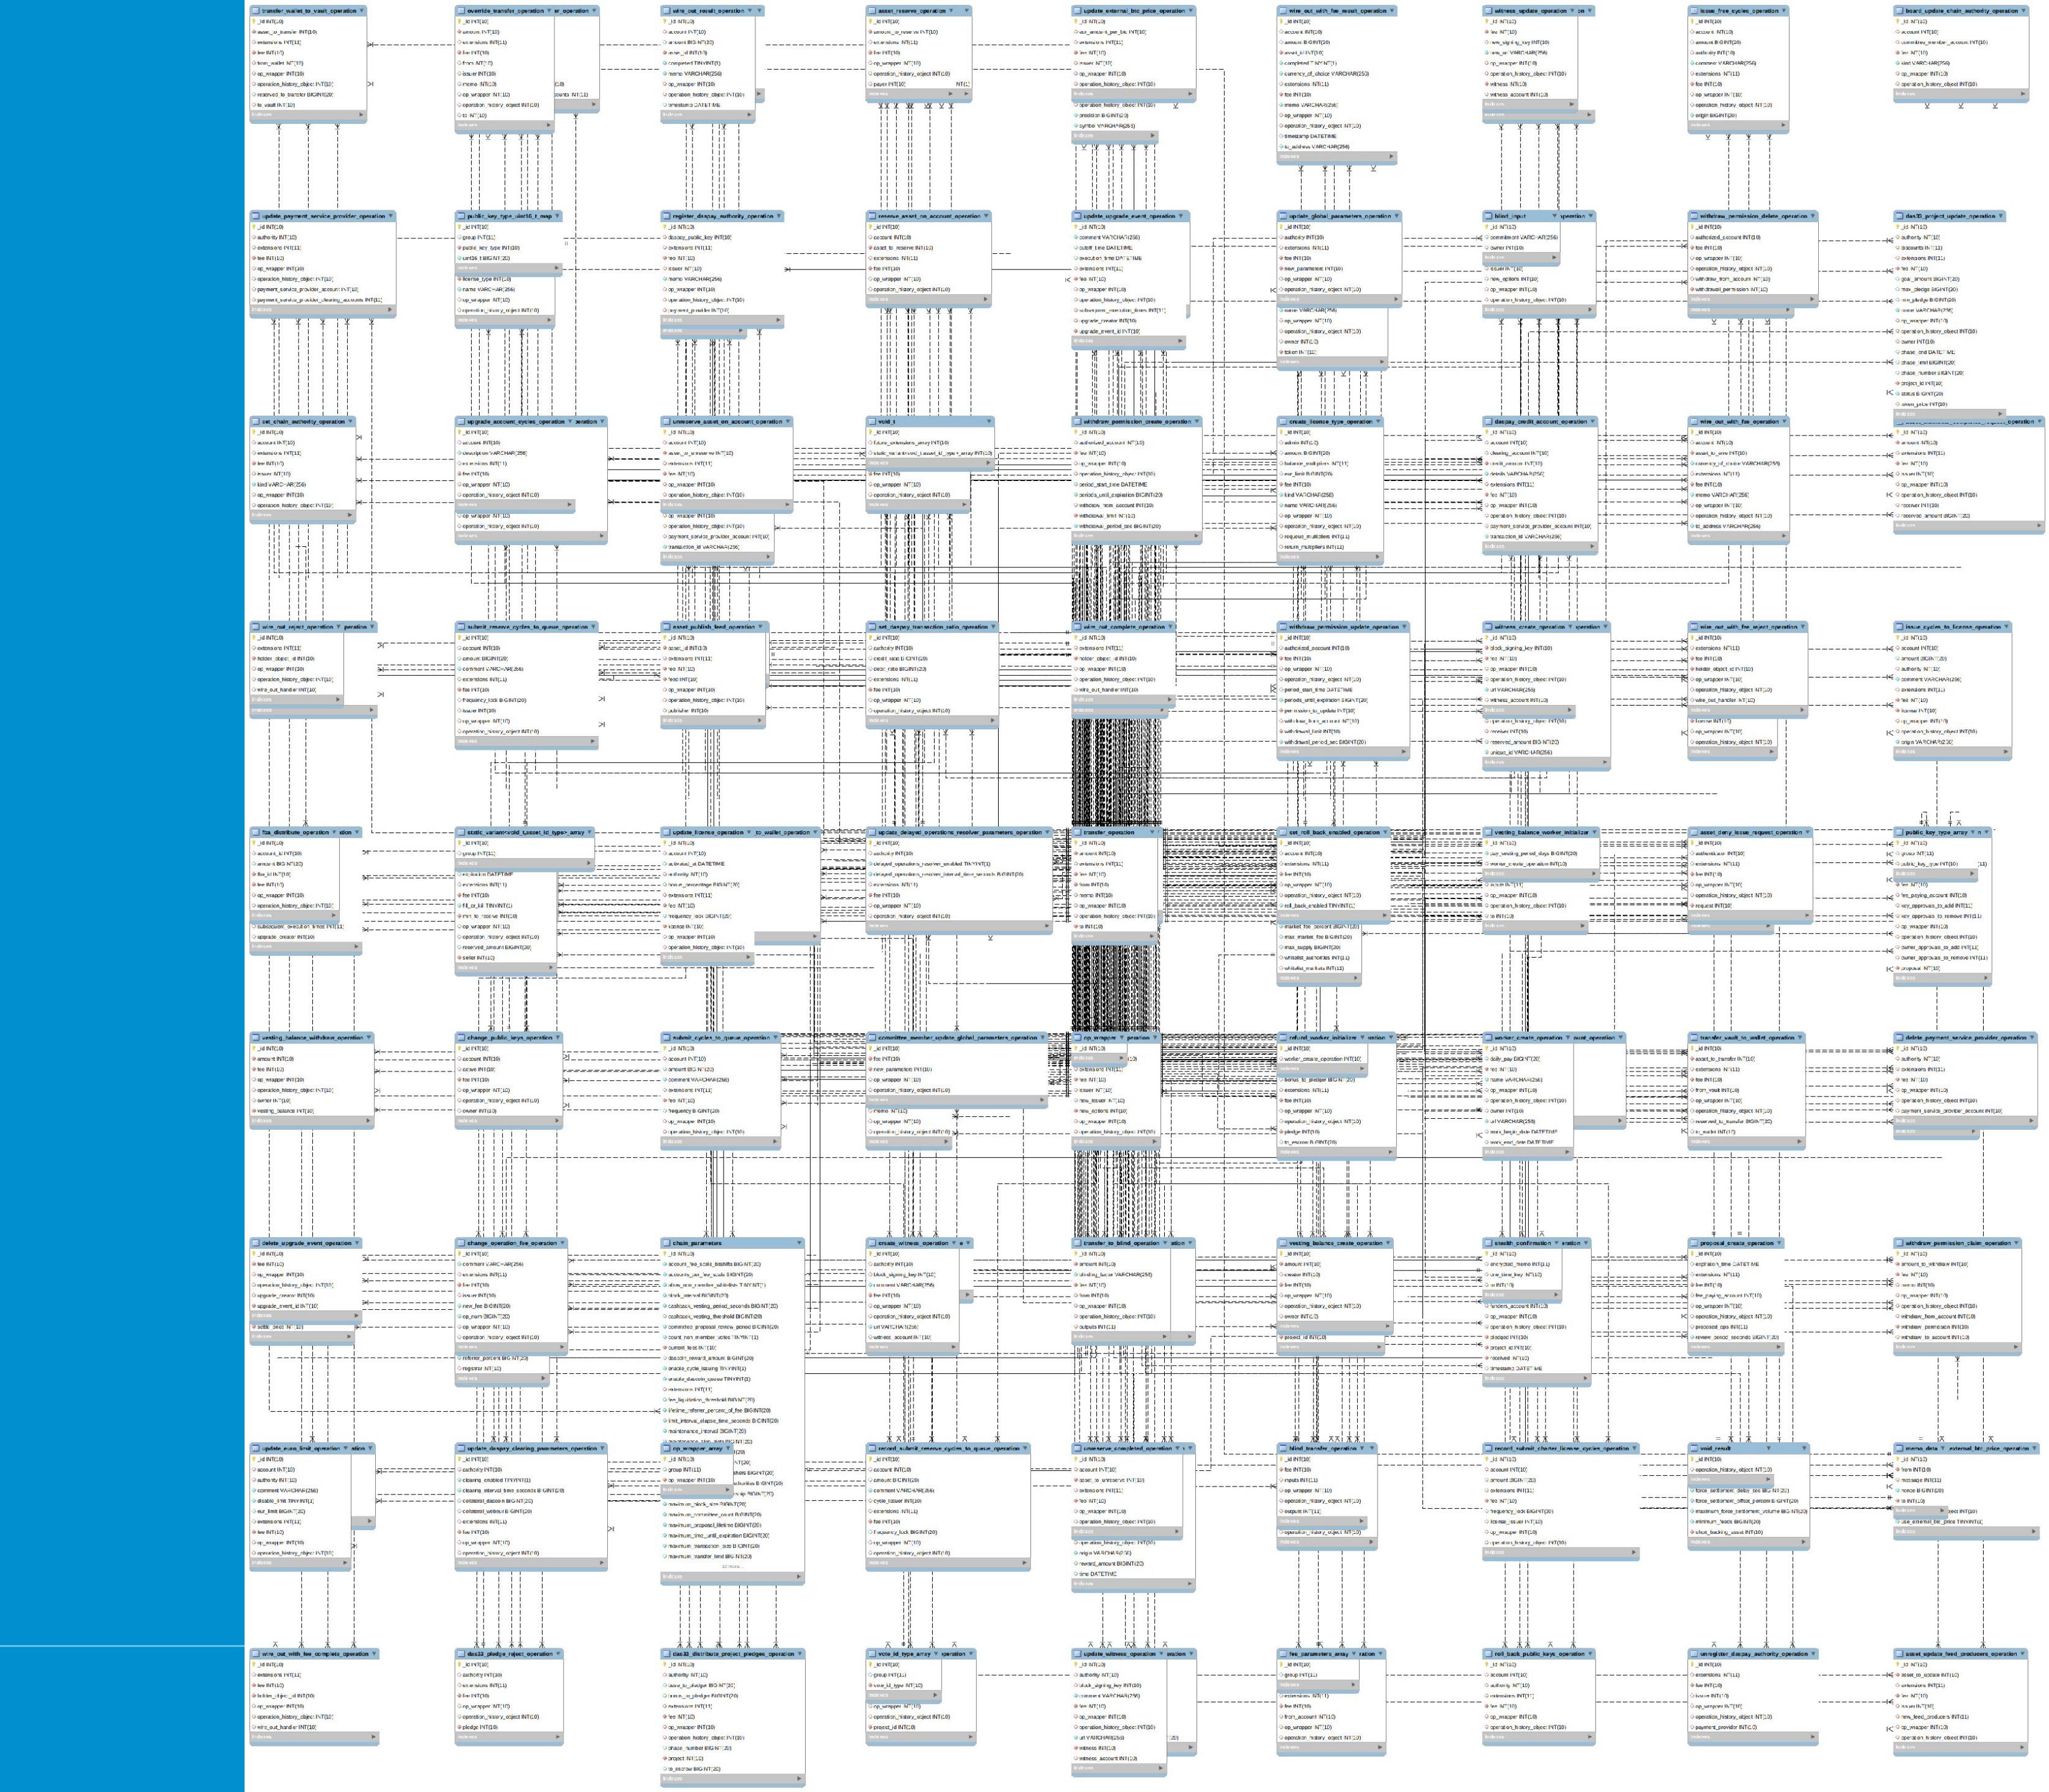

Recursively traverses through all operations generating schema for a relational database.

Generates over 100 operation tables and about 50 auxiliary tables.

# Generated Schema

# DasCoin

# Thank You
